

**REMARKS**

The present application is a divisional of parent application Serial No. 09/539,929.

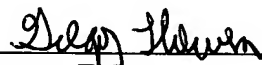

The amendment to the specification is being made to update the priority data.

The foregoing new claims are directed to the subject matter that was not elected and prosecuted in the parent application, *i.e.* claims 12-14 directed to a laminate of a porous insulating film. As such, claims 1-11, along with claims 12-14, have been canceled and new claims 15-31 have been added. No new matter has been introduced by the new claims, which find support in original claims 12-14 and throughout the specification. Entry of these amendments is respectfully requested prior to taking up this application for a first action on the merits. Following entry of these amendments, claims 15-31 will be pending in this application.

If there are any fees due in connection with the filing of this amendment, please charge the fees to our Deposit Account No. 50-0310. If a fee is required for an extension of time under 37 C.F.R. 1.136 not accounted for above, such an extension is requested and the fee should also be charged to our Deposit Account.
